

YANKTON SIOUX TRIBE

Necessary Expenditures for COVID-19

In early March, 2020, the Yankton Sioux Tribe (Tribe) began instituting various measures to address the public health emergency created by the outbreak of coronavirus disease 2019 (COVID-19). On March 9, 2020, the Tribe imposed a ban on tribally-funded travel to and from the Reservation. On March 10, 2020, the Tribe was notified that there was one presumptive positive diagnosis at the Indian Health Service (IHS) service unit in Wagner, South Dakota which provides healthcare services to the Yankton Sioux Reservation. On March 11, 2020, the World Health Organization declared COVID-19 as a pandemic. On March 13, 2020, the Tribe declared a state of emergency and adopted an interim response plan and temporarily suspended portions of the personnel policies for the Tribe to authorize emergency leave and work from home. On March 27, 2020, the Tribe imposed a ban that prohibits all outside inmates from being housed at the correctional facility located on the Yankton Sioux Reservation, from being housed at the correctional facility located on the Reservation until further notice. Also on March 27, 2020, the Tribe imposed a ban that prohibits the detail of correctional officers to the correctional facility located on the Reservation until further notice. On April 3, 2020, the Tribe was notified that there was a community transmission within the local non-Indian community.

On April 6, 2020, the Tribe issued a stay at home order to minimize contact between residents and to the greatest extent possible minimize the exposure of the public to contaminated surfaces, maximize the number of people isolating in place, reduce the number of people congregating in workplaces at one time, reduce the proximity of people in the workplace, and enable the services necessary to protect public health and safety.

The Tribe continues to take pro-active measures and respond to the COVID-19 pandemic through the necessary expenditures incurred with respect to COVID-19. The following expenditures will be incurred between March 1, 2020, and December 30, 2020. These expenditures were not accounted for in the Tribe's FY 2020 budget. The amounts and expenses contained herein are subject to adjustment until fully expended through December 30, 2020.

<u>Expense</u>	<u>Amount</u>
----------------	---------------

MEDICAL EXPENSES

Retrofit Community Centers for Medical and Quarantine Use	\$150,000
--	------------------

The Tribe plans to expend resources to retrofit its existing community centers to be capable of serving as temporary medical centers and for quarantine use. The spaces will also be used to store and provide tribal citizens with COVID-related services. Tribe will expend an estimated \$150,000 between March 1, 2020 and December 30, 2020, on necessary expenditures incurred due to the public health emergency with respect to COVID-19. These expenditures were not accounted for in the Tribe's FY 2020 budget.

PUBLIC HEALTH EXPENSES

Cleaning personnel	\$100,000
---------------------------	------------------
