Quarantine and Isolation Guidelines for Covid-19**

Quarantine vs. Isolation

- You quarantine when you might have been exposed to the virus.
- You isolate when you have been infected with the virus, even if you don't have symptoms.
- 1st day of symptoms is day 0 and the 2nd day is considered day 1 of isolation and quarantine unless you have symptoms

Quarantine (recommendation)

Quarantine if you have been in close contact (within 6 feet of someone for a cumulative total of 15 minutes or more over a 24- hour period) with someone who has COVID-19, unless you have
